STUDENT'S PROJECT LOG-BOOK

APT/SWE_____

STUDENT NAME:

DURATION: 12 WEEKS

DAILY REPORT

The daily work carried out during the period of PROJECT is to be recorded clearly with sketches and diagrams where applicable on the logbook. This must be HANDWRITTEN NOT WEEKLY.

WEEKLY SUMMARY REPORT

Take weekly photo or scan and upload on BB logbook section. For the previous weeks use your proposal and design process items to update your weekly items.

REPORT WRITING

In addition to the daily and weekly record, the student should submit a report of the work done during the Project. e.g full coverage of the project course, problems encountered e.t.c. A comprehensive guide on report writing is provided by the supervisor on blackboard.

N/B: Note those who don't submit on Blackboard on time OR wrong uploads are graded 0, late submission 5/10 even after presenting. Ensure you submit on Blackboard and daily manually update log book report. Ensure you are attending all classes and complying with weekly activities for any grading to be considered. Online Screenshot evidence and physical attendance for SWE will be used to verify student work.

REPORT SUBMISSION

The logbook and report must be submitted to the project course supervisor at the end of the Project.

Attach the letter from the employment that granted you the Project vacancy indicating when the Project started and when it will end.

The Log-Book should be well bound.
